At the initial meeting of the Board, the initial directors were appointed to their respective staggered terms, and at least one director was appointed to an abbreviated term set to expire upon occurrence of the first annual meeting of the Board whereby that director can either be re-elected or replaced by the Board pursuant to these Bylaws.

2.02. POWERS AND NUMBERS. The management of all the Corporation's affairs, property, and interests shall be managed by or under the direction of the Board. Directors need not be members of the Corporation or residents of the state of incorporation to qualify and serve the Corporation as a director. Until these Bylaws are amended, the Board consists of three (3) directors who are elected for the term of three (3) years, and will hold office until their successors are duly elected and qualified at the following annual meeting of the Board. One of the initial directors shall serve an initial term of one (1)

year, the second initial director shall serve an initial term of two (2) years, and the third initial director shall serve an initial term of the full three (3) years. The Corporation must have at least three (3) directors.

2.06. ELECTION OF DIRECTORS. Directors are to be voted on and elected at each annual meeting of the Board, unless a special meeting is expressly called to remove a director or fill a vacancy. 2.07. REMOVAL OF DIRECTORS. At any meeting of the Board called expressly for that purpose, any director, including the entire Board, may be removed by an affirmative majority vote by the current Board. If the Board votes to remove the entire Board, then the President, Treasurer, and Secretary will serve as the interim Board until directors are duly elected to the Board pursuant to these Bylaws. If the Corporation has members, then the members must promptly have a special meeting to elect directors to the Board. As soon as practical, the members or the interim Board must meet to elect directors via the process described in Section 2.02 of these Bylaws.

2.08. VACANCIES. Any vacancy to be filled due to an increase in the number of directors may be filled by the Board for a term lasting until the next annual election of directors by the Board at the annual meeting or a special meeting called for the purpose of electing directors. Any director elected to fill a vacancy which results from the removal of a director shall serve the remainder of the term of the removed director and until a successor is elected by the Board and qualified. Any individual who fills a vacancy on the Board shall not be considered unqualified or disqualified solely by virtue of being an interim director.

2.14. MANNER OF ACTING. Subject to the laws of the state of incorporation, as may be amended from time to time, the act of the majority of the directors present at a meeting at which a quorum is present when the vote is taken shall be the act of the Board unless the Articles of Incorporation require a greater percentage.

2.15. WAIVER OF NOTICE. A director waives the notice requirement if that director attends or participates in the meeting, unless a director attends the meeting for the express purpose of promptly objecting to the transaction of any business because the meeting was not lawfully called or convened. A director may waive notice by a signed writing, delivered to the Corporation for inclusion in the minutes, before or after the meeting.

The creation or appointment of a committee does not relieve the Board or individual directors from their standard of care described in Section 2.03 of these Bylaws.

2.18. REMUNERATION. The Board may adopt a resolution which results in directors being paid a reasonable compensation for their services rendered as directors of the Corporation, provided the compensation is less than the operating costs of the Corporation. Directors may also be paid a fixed sum and expenses, if any, for attendance at each regular or special meeting of such Board. Nothing contained in these Bylaws precludes a director from receiving compensation for serving the Corporation in any other capacity, including any services rendered as an officer, employee, or third party service provider. If the Board accordingly passes a resolution related to committees of the Board, then committee members may be allowed like compensation for attending committee meetings. At any time, a resolution of the

Board that grants compensation to a director may be challenged by another director, provided the challenging director requests a special Board meeting specifically addressing the resolution related to director compensation. Any director who votes for a resolution related to director compensation may be held liable under Section 2.03 of these Bylaws if the resolved director compensation is unreasonably excessive, violates any section of Article 2 of these Bylaws, or unreasonably jeopardizes the nonprofit or tax-exempt status of the Corporation.

Provided the director complies with the standard of care described in Section 2.03 of these Bylaws, the Corporation shall indemnify any director made a party to a proceeding, brought or threatened, as a consequence of the director acting in their official capacity. In the event a director is entitled to indemnification by the Corporation, the director shall be indemnified or compensated for reasonable expenses incurred as a consequence of being connected to the Corporation and serving in good faith on its behalf.

2.21. ACTION OF DIRECTORS BY COMMUNICATIONS EQUIPMENT. Any action which may be taken at a meeting of the Board, or a committee, may be taken by means of a telephone or video conference or similar communications equipment which allows all persons participating in the meeting to hear each other at the same time.
